

RYAN HADLEY

MIXED MEDIA ARTIST

2023

# RYAN HADLEY

Ryan is a **mixed media artist** who experiments with varied materials from canvas to steel to bronze and is always looking for a new approach to convey his artworks.

He currently works in **rust** and **spray paint**, using steel instead of canvas and empowering this decay to play a central role in the artwork itself.

Ryan's sharp-witted artworks have been exhibited and received considerable acclaim in **London, Los Angeles, Tokyo and Birmingham.**

## Collectors & Collections

**Liam Howlett** - Prodigy's

**Pete Wentz** - Fall Out Boy's

**Jeff Salmon** (C4's '4 Rooms')

**Maximilian Riedel**- Riedel Glass

**Paul Oz** -That awesome messy artist

Ryan's work also features in large corporate collections such as Nokia and the Bals Ginza store Tokyo.
